BELDON BRIEFINGS

12 November 2020

Congratulations to our P&C for organising a wonderful Quiz Night last weekend. It was great fun and raised over \$6500. Thank you to all those parents who came along, to everyone who donated a raffle item, and to our very generous major raffle donors Perth Solar Force and Tint a Car Clarkson. Time is flying and we are now at the half way mark of Term 4. The unseasonal wet weather was a challenge earlier in the week as our Year PP-4 students commenced their swimming lessons. The year level finals of Beldon Speaks have been taking place this week. Choosing a winner amongst the finalists was excruciatingly difficult as the standard was so high. Congratulations to those who made the finals and a big shout out to the parents and teachers who guided the students in their preparations. Geoff Elliott - Principal

FREE OCCUPATIONAL THERAPY - ECU

At the beginning of each school year, Occupational Therapy at ECU run groups at the Joondalup Community Clinical School located at Joondalup Health Campus. These student run groups are currently free of charge and aim to improve school participation and performance for children who are in the early years of primary school. If you have any concerns about your child please see the attached flyer [HERE](#) and contact ECU for this FREE program.

SALVATION ARMY APPEAL

We are now accepting donations for our annual food drive, through the office. See [HERE](#) for a list of food suggestions. Please contact Jodi Ingham for access to support and services.

PARKING - NAUTICAL GROVE

Many children at our Education Support Centre rely on mobility equipment such as wheelchairs and walkers, and some children are prone to running across roads. With this in mind, we ask you to leave the parking bays on Nautical Grove vacant for those whose safety may be compromised by not being able to access these bays that are a direct access to the ESC. Thank you for your cooperation.

ARE YOU LEAVING US?

Both the Department of Education and the School have started preparing for the 2021 school year. In the near future, we will need to calculate our staffing numbers for next year. In order to predict as accurately as possible, we would like to know if any students will not be attending Beldon PS in 2021. If you know your child will not be returning next year, please email the school office as soon as possible at beldon.ps@education.wa.edu.au.
