BELDON BRIEFINGS

28 February 2019

Congratulations to our 2019 Year 6 Student and Sport Councillors pictured above. We are very proud of you all and know you will provide a great contribution to Beldon Primary School throughout the year.

FINAL REMINDER: SCHOOL CLOSED ON FRIDAY 1 MARCH

Hopefully everyone has remembered that students can not attend school this Friday 1 March as all staff will be participating in Professional Development. The Office will also be closed.

Zig Zags OSHC will be providing an onsite program for any children requiring care. Visit our website for further details.

School will resume on Tuesday 5 March following the Labour Day public holiday. We hope you all enjoy your extra long weekend.

SIZZLING SPELLERS

Is your child a deadly speller? Application forms for our school spelling competition have been distributed to students. We encourage all children to participate and "Aspire to Go Beyond". Class finals will take place during Week 7 with the school finals occurring in Week 9.

NAPLAN

Next term, Year 3 and 5 students will be completing their NAPLAN assessments. All tests will be completed online this year, with the exception of Year 3 writing. Assessments of reading, writing, numeracy, spelling and language conventions will take place during Weeks 3 and 4.

A parent/carer information sheet will be sent home with all affected students in the next week. For more information, visit www.nap.edu.au/naplan

NOMINATIONS FOR SCHOOL BOARD

Our School Board currently has 2 vacancies for parent members. In essence, the role of School Board is one of setting the long-term future for the school and maintaining oversight (not management) of the implementation of the school Business Plan. It is not about running the school, that is the job of the principal, but rather about providing additional expertise to help the school achieve the best outcomes for students.

The Board is made up of the School Principal, parents, community members and staff, with the majority of members being parents and community members. The School Board meets at least once a Term to establish, monitor and review the strategic direction for the school.

The School Board is a terrific forum in which to make a difference in your children's schooling. For more information and a nomination form, please contact our Office.

CLASS COORDINATORS

Thank you to those parents who have volunteered to be 2019 Class Coordinators. Class Coordinators form a vital link between the school and the parent body and aim to build upon the communication that already occurs between the school and community. A list of the 2019 Class Coordinators can be found on our website.

THE LAST WORD

Because we understand that parents are busy people, we are making every effort to keep our newsletter to one page. You can catch up with more news about the school on our Facebook page or website. For further details, visit www.beldonps.wa.edu.au.
