BELDON BRIEFINGS

7 November 2019

Congratulations to our P&C for their visually spectacular and frighteningly successful Halloween disco last week. The year level finals of Beldon Speaks have been taking place this week. Mr Dave Warren (Board Chair) and I had the honour of judging the finals for Years 1 and 2 on Tuesday. It was excruciatingly difficult as the standard was so high. We were both blown away by just how well the students spoke. Congratulations to those who made the finals and a big shout out to the parents and teachers who guided the students in their preparations. You will be able to hear the winners from each year level at the Beldon Speaks Assembly next Friday. Geoff Elliott - Principal

CAMP QUALITY SPECIAL INCURSION

Most of us, including our children, would know someone affected by cancer. In an effort to support our students in this area, we have invited the Camp Quality Puppets to visit our school. They perform a fun, empowering and interactive show that dispels the myths around cancer and creates an inclusive community for children. Not only do the puppets make everybody laugh, kids who see the show are left with no doubt that "you can't catch cancer!"

KP1 SUNDOWNER

The annual KP1 Sundowner is certainly one of the highlights of the year. Come along and enjoy the carnival atmosphere in the beautiful grounds of our Early Learning Centre from 4pm to 6:30pm on Friday 22 November. Everyone is welcome to attend.

NEW STATEWIDE POLICY - MOBILE PHONES

The new *Student Mobile Phones in Public Schools* policy bans students from using mobile phones from the time they enter school grounds to the conclusion of the school day. Kindergarten to Year 6 students are not permitted to have a mobile phone in their possession during the school day. In addition,

students must have smartwatches turned to aeroplane mode. The policy commences at the beginning of 2020. Our school will provide further information to parents before the commencement of school next year.

ARE YOU LEAVING US?

Both the Department of Education and the School have started preparing for the 2020 school year. In the near future, we will need to calculate our staffing numbers for next year. In order to predict as accurately as possible, we would like to know if any students will not be attending Beldon PS in 2020. If you know your child will not be returning next year, please email us on beldon.ps@education.wa.edu.au.

CLASS PLACEMENTS FOR 2020

Parents who would like their child's class placement for next year to be given special consideration are asked to submit their request and reasons in writing to the Principal. Parent requests will be considered amongst a range of other factors when placing students in a particular class. Requests concerning class placement can be emailed and **must be received by Friday 15 November 2019.**

PARKING

Parents are asked not to park in the BPS or ESC Staff parking areas. Parking is a challenge at our school and we often do not have enough spaces to accommodate staff and visitors. The Staff parking areas are clearly sign posted and are for Staff only. Thank you for your understanding.

LOST PROPERTY

With the end of the year almost upon us, it would be appreciated if parents would call past the Atrium and check to see if any of the lost property belongs to your children. Items will be on display at the Beldon Speaks assembly and anything not collected will be donated.
