

BELDON BRIEFINGS

29 AUGUST 2025

Book Week Parade

Our Book Week Parade was a wonderful celebration of reading and imagination!

It was fantastic to see so many students (and staff!) dressed up as their favourite book characters. From wizards and superheroes to classic storybook favourites, the creativity and effort put into costumes made the day so special.

A big thank you to our families for supporting the event and helping bring Book Week to life. It was a joyful reminder of the power of stories to inspire, connect, and spark curiosity.

BOOK WEEK PARADE

Interschool Cross Country

Congratulations to our amazing Beldon Primary School students who represented our school with pride at the recent Interschool Cross Country. Their teamwork, determination, and sportsmanship shone throughout the day.

We are thrilled to share that Beldon came away as the overall winners! 🎉

A huge thank you to our dedicated staff for their support and to our wonderful families who came along to cheer. We are so proud of our students' efforts - what a fantastic achievement for Team Beldon!

Crazy Hair Day

A big thank you to everyone who supported Crazy Hair Day with your gold coin donations. We are delighted to share that we raised \$231, which will go directly towards our upcoming 40th celebration. We appreciate your generosity and school spirit!

Kindy Cuddly Animal Excursion

21 Kindy kids, 5 adults and a day of torrential rain made for a very wild and memorable adventure!

The photos say it all - we had so much fun splashing in puddles, jumping over little rivers, and trying our best to spot the farm animals. The children were incredible, and not even the heavy rain could dampen their excitement as they looked at, patted, and held a variety of animals.

No one escaped getting completely soaked, but that only added to the fun. It was a fabulous day full of laughter, learning, and unforgettable memories!

Year 3 & 4 Excursion

On 20th August, M4 and M5 went on an excursion to Whitfords library to see James Foley. James is a local West Australian children's author and illustrator who has written many books including, 'Stellerphant' and 'Happy Barry Capybara'. Through these books, James takes us on hilarious, creative adventures to magnificent worlds.

The students laughed their heads off throughout his very funny presentation. They had several stories read to them and finished off by following James' steps to draw their own Capybara. He shared with us several books that he wrote when he was in primary school and inspired us to write our own hilarious tale. Look out for these soon!

Year 5 & 6 Excursion

On Thursday, 28th August, students in Year 5 and 6 attended the Illuminate Dance Showcase at Belridge Secondary College. This live performance, presented by Belridge Secondary College students, gave our students a unique opportunity to experience high-quality dance and multimedia in a secondary school setting. It supported their Drama learning, with a focus on performance skills such as expression, movement, and staging, while also offering a valuable glimpse into the environment and opportunities of high school.

It was a fantastic performance! Students enjoyed an incredible variety of dance styles on display - from contemporary to hip hop - and the energy was infectious. To top it off, we even spotted some very talented former Beldon students performing on stage!

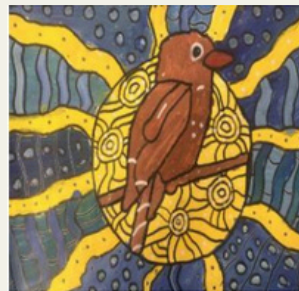

Creative Arts - M3 & M4

Students in M3 and M4 have been working hard to develop their painting techniques, experimenting with acrylic paints and paint pens to bring their ideas to life. Their stunning artworks were inspired by contemporary Aboriginal artist Mirree Louise Bayliss, known simply as Mirree.

Mirree is a proud Wiradjuri woman from New South Wales whose vibrant and intricate paintings are shaped by her deep connection to nature and her Aboriginal heritage. Her art is not only visually striking but also rich in meaning, with each piece telling a story that reflects cultural identity and connection to Country.

Guided by her unique style, our students explored ways to combine colour, pattern, and symbolism in their own artworks. The results are truly impressive — each painting celebrates both individual creativity and cultural appreciation.

Spotlight on our students

If your child has achieved something to celebrate, please email Sandra.Musson@education.wa.edu

SOMETHING TO celebrate!

Congratulations to Isak Pollard, who has been successfully selected for two Specialist Programs at Mater Dei College for 2026 - the Basketball Academy and the Hawk's AFL Academy.

Isak began the process last year, preparing applications and attending several rounds of trials. His selection is the result of a rigorous and highly competitive process that assessed not only his physical skills and fitness, but also academic performance, attendance, and behaviour.

The Basketball Academy is designed for students with strong potential in basketball, offering advanced training and development in skill, fitness, and gameplay. The Hawk's AFL Academy supports talented young footballers, with a focus on skills development, game strategies, and performance. Selection begins as early as Year 5 and involves a detailed assessment process. Isak stood out among many applicants and has earned his place through hard work and determination.

We are incredibly proud of Isak and this well-deserved achievement.

We wish him all the best as he begins high school next year and look forward to seeing him thrive in both programs!

Thank you P&C

A big thank you to our P&C for funding the new edging in our garden. It has really freshened up the area and looks very smart and tidy. We are so appreciative of their ongoing support in keeping our school looking great.

The Impact of Arriving Late to School

Being on time to school sets children up for a successful day of learning. When students arrive late, they can miss important instructions, the morning routine, and the chance to settle in calmly with their classmates. Even a few minutes late each day can add up to hours of lost learning over the term.

Arriving on time helps children:

- Start the day feeling organised and ready to learn
- Build positive habits for the future
- Stay connected with their peers and classroom activities

We ask for your support in ensuring your child arrives at school before the morning bell so they can make the most of every learning opportunity.

KEY DATES & UPCOMING EVENTS

TERM

Tuesday	Sep 2, 2025	P&C Meeting - 7pm
Wednesday	Sep 3, 2025	Fathers Day Breakfast (P&C)
Wednesday	Sep 3, 2025	Faction Jumps & Throws - Yrs 3 to 6
Friday	Sep 5, 2025	Faction Athletics Carnival
