## BELDON BRIEFINGS

19 December 2019

Today is the final day for students and marks the end of another very positive school year at Beldon Primary School.

Last Thursday we formally farewelled our Year 6 students with an uplifting and dignified Graduation Ceremony and Lunch. Excellence and Class *You Can Do It* awards were presented at the Awards Assembly on Monday, and a few tears were shed as teachers spoke about the achievements of their students.

Student reports have also now been sent electronically to parents and caregivers.

The incredibly positive and caring program that our school provides to students is the product of the combined efforts and hard work of many individuals. I would like to thank and acknowledge our hard working teachers, support staff, volunteers, P&C and the School Board for working together consistently throughout the year to make 2019 another success at Beldon PS.

I take this opportunity to wish everyone a Happy Christmas and New Year. We look forward to seeing you all when the children return for the new school year on Monday 3 February 2020.

Geoff Elliott - Principal
