

BELDON BRIEFINGS

12 September 2025

Father's Day Breakfast

What a wonderful morning we had celebrating our Father's Day Breakfast! It was so lovely to see dads, grandads, and father figures enjoying brekkie with their children and spending time together before the school day began. A massive thank you goes to our amazing P&C for organising the event – your efforts helped create a warm and welcoming community atmosphere that was enjoyed by all.

Jumps & Throws

Last Wednesday we held our throws, jumps, and championship sprint events. It was wonderful to see the students encouraging each other and giving their best effort in every event. Congratulations to all participants for their fantastic sportsmanship and determination.

Faction Sports Carnival

What a fantastic day we had at our Faction Athletics Carnival! The atmosphere was filled with enthusiasm, encouragement, and great sportsmanship. A huge thank you to Mr Reid for his organisation of the event, and to all of our staff for their support throughout the day. Congratulations to all our students for their efforts and achievements – you should all be very proud.

We are also very grateful to our wonderful parents who came along to cheer on the children and create such a positive community spirit. And a special shout out to our P&C for running the sausage sizzle and cake stall – both were a big hit!

2025 FACTION SPORTS CARNIVAL

RU OK Day

R U OK? Day is an annual National Day of Action in Australia, held on the second Thursday of September, that encourages everyone to connect with people in their lives and have meaningful conversations to support those who may be struggling with life's ups and downs.

At school we talked about being a good friend and knowing how and when to check in with a friend who might be having a difficult time. The children engaged in different activities to show kindness to others.

Kitchen Garden

This term students from K5 and K6 have had the opportunity to spend time in the garden with Mrs Lun and their classroom teachers. We have had an abundance of potatoes grow this year so the students took the opportunity to use them for cooking up a storm in the kitchen. Both classes made hash browns, a tomato salsa and sweet potato muffins, and the food was enjoyed by the students after they prepared it. We were so fortunate to have lots of adult family members help out for these sessions in the kitchen, thank you so much to everyone that came in to help out.

P&C News

A big thank you to everyone who attended the Father's Day Breakfast on Wednesday, 3 September. It was wonderful to see so many families coming together to celebrate the fathers and father figures in our community. Given the incredible response, this may become an annual event! Special thanks to the P&C members who helped make the event happen.

Huge thanks to all the bakers and volunteers who donated and helped out at the Faction Carnival on Wednesday 10 September! So many delicious treats to choose from 🥰 As always, we are truly grateful for your support.

*The next P&C meeting will be on Tuesday, 4 November - all welcome.
You don't need to attend meetings or become a member to support the P&C.*

*Opportunities to help out in Term 4 include the vibrant lapathon and
whole-school disco - we'd love your assistance!*

The Impact of Arriving Late to School

Being on time to school sets children up for a successful day of learning. When students arrive late, they can miss important instructions, the morning routine, and the chance to settle in calmly with their classmates. Even a few minutes late each day can add up to hours of lost learning over the term.

Arriving on time helps children:

- Start the day feeling organised and ready to learn
- Build positive habits for the future
- Stay connected with their peers and classroom activities

We ask for your support in ensuring your child arrives at school before the morning bell so they can make the most of every learning opportunity.

Spotlight on our students

We are incredibly proud to celebrate Azalea Gibbs, a remarkable Year 6 student, for her outstanding achievements!

Azalea has been accepted into three Specialist Programs at Belridge Secondary College for Year 7 — a truly exceptional accomplishment!

🌟 **Elite Music Specialist Program** - Azalea has been part of the Beldon PS Guitar Program for the past two years. Her dedication and talent helped her succeed in a music assessment and audition, earning her a well-deserved place in Belridge's Elite Music Specialist Program. This opportunity will be a wonderful step forward in her musical journey.

🩰 **Specialist Dance Program** - Azalea has also been selected for the highly competitive Specialist Dance Program. She attended a half-day audition at Belridge SC earlier this year, where she showcased her dance techniques and skills, and performed a solo to music in front of a panel of selectors. This is a highly selective program, and being chosen is a fantastic achievement!

🏐 **Specialist Netball Academy** - Adding to her list of accomplishments, Azalea has been accepted into the Specialist Netball Academy, which competes in the Tier 1 division — the highest level, competing against both public and private specialist schools. After multiple trials, Azalea's skill and determination shone through, earning her a place in this elite program that runs through to year 12.

You have shown dedication, talent, and perseverance across a range of disciplines. We are so proud of you and can't wait to see all the amazing things you'll accomplish in the years ahead. The future is bright with so many doors now open to you!

Keep reaching for the stars! 🌟
