

# BELDON BRIEFINGS

6 JUNE 2025

## Farewell to Mr Peter Williams

It is with mixed emotions that we announce that our much-loved Deputy Principal, Mr Peter Williams, will be leaving Beldon Primary School. After 17 years of dedicated service to our students, staff and families, Peter has accepted an exciting opportunity at a new school.

Peter has been an integral part of the Beldon community — his leadership, care and commitment have made a lasting impact on generations of students and families. While we are sad to see him go, we are incredibly grateful for all he has given to our school and wish him every success in the next chapter of his career.

Peter's last day at Beldon will be Friday 13th June.

He will be greatly missed.

## Kitchen Garden Project

Students at Beldon are incredibly fortunate to have access to both our school garden and industrial kitchen. Over the years, these much-loved programs have evolved and been supported by many dedicated staff members.

Currently, our garden is cared for by Mrs Lun, who works with us each Tuesday morning. Mrs Lun has a long-standing connection to our school—both of her adult sons attended Beldon—and she brings a wealth of gardening knowledge. Under her expert guidance, the garden has flourished, with its produce even winning multiple awards at the Wanneroo Show.

This term, students from M3 and M5 have been making the most of their time in the garden with Susanne, learning about growing fresh produce and connecting with nature. K3 and K4 have now started their garden sessions and will continue each week until the end of term, followed by K5 and K6 later in the year.

As part of this program, each class also participates in a cooking session at the end of their time in the garden. These sessions, led by Mrs Brown and held in our school's industrial kitchen (located in the ESC), use vegetables harvested straight from our garden.

This week, M5 had their turn in the kitchen and did a fantastic job preparing sweet potato frittata and pumpkin scones—using pumpkins grown right here at school. The students thoroughly enjoyed the experience, with many surprised by how tasty pumpkin scones can be!

A big thank you to the parent volunteers who helped out during the cooking session. We look forward to seeing M3 in the kitchen next Tuesday!

## Year 5 & 6 Incursion

Today, our Year 5 and 6 students took part in an exciting graffiti art incursion. The workshop immersed the students in the world of contemporary art, focusing specifically on graffiti as a powerful form of creative expression.

Throughout the session, students explored the history, techniques, and cultural significance of graffiti. They also had the chance to experiment with spray painting techniques in a safe and supervised environment.

This hands-on experience was not only a fun and engaging way to develop artistic skills but also an opportunity for students to reflect on how art shapes the spaces and communities around them.

## Teddy Bear Chair Creations - B3 & B4

Yesterday, our clever B3 and B4 students put their creativity and problem-solving skills to the test as they designed and built chairs for their teddy bears. Using a variety of materials, students applied their knowledge of design and construction to create some truly impressive miniature furniture.

A huge thank you to the wonderful mums and dads who came in to help—it was fantastic to have your support in the classroom!

## Australia's Biggest Morning Tea

A big thank you to our wonderful school community for your generous support and donations.

We're excited to share that we raised a grand total of \$1,130.15!

Your contributions made this event a great success, and we're so grateful for your involvement.

### Special Thanks

- To Caitlin Collins for her generous donation of a raffle hamper.
- To Ms Christiansen (K5), who kindly re-gifted her hamper to parents and staff at the Morning Tea. The remaining items were donated to Sonny from Northway Uniting Church to support their community raffle.

### Raffle Hamper Winners

- Hamper 1 – Sam (Blue Class, ESC)
- Hamper 2 – Ms Christiansen (K5):
- Hamper 3 – Maeya (B1)

### Lolly Jar Winners

- Lolly Jar 1 – April
- Lolly Jar 2 – Lewis

Thank you again for helping us make this fundraiser such a success!

## Amazing Artwork

This term in Visual Arts, our students have been diving into the fascinating world of Pablo Picasso and the art movement he helped pioneer — Cubism.

Through exploring Picasso's unique approach to form, shape and perspective, students have gained a deeper understanding of how art can express emotion and tell stories in abstract and imaginative ways.

They've experimented with bold lines, geometric shapes, and contrasting colours to create their own cubist-inspired masterpieces. The results have been nothing short of amazing!

## Yarning Circle

Have you noticed the new project that has started between the greenhouse and our chickens?

Construction of a Yarning Circle has commenced and we are so excited to have this amazing space taking shape on our school grounds. A Yarning Circle is a traditional Aboriginal meeting place where people come together as a community to meet and share stories and knowledge.

Our school Yarning Circle is being designed in collaboration with Tae-shan and Wiremu, BPS parents. Tae and Wiremu have begun leveling the earth to make way for the log seating that will be placed in a circle around the outside of this space. We have received grants and donations that will provide around 300 plants for around the Yarning Circle and a limestone path. Log seating is being sourced currently.

Once completed the Yarning Circle will be a welcoming space for students, staff and community to gather.
