

BELDON BRIEFINGS

15 May 2026

Mother's Day Breakfast

It was lovely to see so many mums come together for our Mother's Day Breakfast on Friday morning. The atmosphere was warm and welcoming, and it was wonderful to see families enjoying time together before the start of the school day.

A special thank you to all the dads who helped make the morning such a huge success. Your support, time and effort were greatly appreciated. Thank you also to our amazing P&C for all the behind-the-scenes organisation and preparation that made the event possible.

We would also like to thank Mullaloo Sea Spa, Event Cinemas and Padbury Florist for generously donating raffle prizes for the event. Congratulations to all our raffle winners!

Year 2 Excursion to Buckingham House

On Friday 9th of May 2026 all the Year Twos travelled to Buckingham House and the Old Wanneroo School house on excursion. We dressed up in olden day costumes to pretend that we were going back in time 100 years ago.

First, we walked out of Beldon Primary School and hopped on the bus. I sat with Hazel and we played some fun games like I Spy. When we got there we all sat on a big mat and Naomi, the museum worker told us about John Buckingham, his wife and his seven children. Naomi told us about the history of the house and some students got to hold old toys that kids in the olden days used to play with.

Afterwards we split into groups. I was in group 3 and my partner was Indi my best friend. Then we pretended to milk a cow but it was not real. The milk was just water. We played with olden day toys like beanbags and I scored! I was so happy.

Then we went inside the Buckingham House into the Mum's and Dad's room. Mrs Howman showed us the boys and girls undies. The girls one was the worst! It looked like white long pants! Mrs Howman told us about the toilets and they had to use newspaper to wipe their bottoms.

Later we swapped and went inside the kitchen. Naomi showed us how to use antique scales and more things. She showed us the kids room and all seven children had to sleep in a tiny room.

Next, we did some olden day washing using washboards. We used an old wringer machine to squeeze out the water and then hung the washing on the line.

Afterwards, we lined up and went inside the old Wanneroo school house. We sat at old wooden tables and metal chairs. First Mrs Howman told us about what it was like to go to school in the olden days. It was strict and the teachers used canes. I was a little bit scared especially when Mrs Howman chose me to wear the Dunce hat and put me in the corner. She was just joking.

Finally, my group did some sewing and Naomi told us how to stitch using a needle. In the olden days the women had to sew their clothes if they got ripped.

My favourite part of the excursion was playing outside with the skipping rope and other olden day toys.

Grandparents in Pre primary

Pre-primary students have just started their History unit about 'past and present'. We invited grandparents in to talk about how things had changed from when they were children. Our students were really interested to learn about how things have changed. After the visit, students reflected on what they had learned and were interested to find out that children used to use quills and ink, sat on hard wooden chairs at wooden desks and carried their school supplies in suitcases, rather than school bags.

The adults had a lovely time reflecting on 'the olden days'. Thank you so much to Suzanne (Andie's Grandmother), Brendan (Charlie's Grandad), Angela (Lachie's Grandmother) and Brenda (Cody's Grandmother) for taking the time to come and speak with our students.

Year 5/6 Interschool Winter Sports

Last Friday, Beldon Primary School competed against Heathridge Primary School and Poseidon Primary School in a fantastic afternoon of interschool sport. All teams demonstrated great teamwork, sportsmanship, and determination throughout the day.

The soccer team had a close and exciting match against Heathridge, winning 2-1. Harvey and George each scored a goal, while Wyatt made some outstanding saves in goal to help secure the victory.

The netball teams had an incredibly successful day with some convincing wins. The Beldon Acacias defeated the Heathridge Strikers 11-0 before going on to beat the Heathridge Platypuses 16-1. The Beldon Banksias also performed brilliantly, defeating the Heathridge Platypuses 9-1 and then the Heathridge Strikers 14-3.

The football team, coached by Ms Musson, had a strong win against Heathridge, finishing with 8 goals 8 behinds to Heathridge's 1 goal. The team worked hard all game and showed excellent teamwork and skill.

The hockey team played against Poseidon and, despite a determined effort, went down 5-2. The game was remarkably close for the first three quarters before Poseidon scored three late goals to secure the win. Kiera was outstanding for Beldon, scoring both goals. Congratulations to all students for representing Beldon so positively. We are very proud of your effort, teamwork, and sportsmanship.

Walk Safely To School Day

It was fantastic to see so many students and families participating in Walk Safely to School Day. The paths around the school were full of smiling faces, conversations and plenty of energy as students walked (and danced with Mr Wilson!) their way to school.

Walk Safely to School Day is a wonderful reminder of the many benefits of being active each day, while also promoting road safety, independence, and healthy habits. Thank you to the families who joined our school train.

Celebrating Students

We are incredibly proud to share that Hayden and Caleb have both been accepted into the Cricket Academy at Belridge Secondary College. Entry into this program requires students to apply and successfully trial, with only limited places available each year. It is a highly regarded program, with former student Cooper Connolly among those who have progressed through the academy.

We would also like to congratulate Blake on being accepted into the female Development Pathway with West Perth Football Club. This is a fantastic achievement and will provide Blake with wonderful opportunities to further develop her skills and compete at a higher level.

Congratulations to all three students on these outstanding achievements.

Parent Teacher Interviews

Parent Teacher Interviews will be taking place on Thursday 28 May and we look forward to the opportunity to meet with you to discuss your child's learning and progress.

Meetings will be held in your child's classroom and provide an opportunity for teachers to share what your child can currently do, celebrate their achievements, and discuss the next steps needed to further support their progress.

Please note that interviews are scheduled for 10 minutes each. To ensure all families have equal time with teachers and the schedule runs smoothly, teachers will need to keep strictly to their allocated times. We kindly ask families to check their meeting times carefully and arrive on time for their interview. Bookings can be made through Compass.

Please note that **Zig Zags will be open** on this day. Unless you have a parent meeting in Kindy, we ask that families do not cut through the Kindy/Pre-Primary play area. Children must be always supervised by an adult and are not permitted to play on the equipment or in the play areas.

Feedback

"Many thanks for having me on ANZAC day. Your students were the epitome of good behaviour and their presentations excellent. Thank you for making me feel so welcome."

Squadron Leader Paul Vincent

Bikes & Scooters

For everyone's safety, bikes and scooters must be walked in and out through the school gates. Riding through the gates is unsafe due to the large number of students and families entering and exiting the school. Thank you for your support.

Attendance Matters

Congratulations to this fortnight's winning attendance class: B3!

Well done for showing great commitment to being at school every day. Keep up the fantastic effort! 🎉

Parent Survey 2026

We invite you to complete our School Opinion Parent Survey. Your feedback is incredibly important to us, as it helps ensure we are listening to our community and using your insights to guide ongoing improvements at our school.

Please take a few minutes to complete the survey by clicking on the link provided. Survey will close on the 22 May 2026.
