

BELDON BRIEFINGS

28 August 2026

Interschool Cross Country

Last Thursday, our talented Cross Country team represented Beldon Primary School at the Interschool Cross Country Carnival held at Craigie Heights Primary School.

A huge congratulations to every student who participated. There were some outstanding individual performances throughout the day, but above all, we were incredibly proud of the determination, perseverance and sportsmanship shown by every member of our team. Our students encouraged one another, gave their very best and represented Beldon with pride.

We are thrilled to announce that Beldon Primary School came first overall! This is a fantastic achievement and a wonderful reflection of the hard work and commitment of our students. Congratulations to our entire Cross Country team — Go Beldon!

A special thank you to Sarah Holley and Kate Spence for generously giving their time to help and support our students on the day. Your assistance was greatly appreciated. Well done to everyone involved on an outstanding result. We are very proud of you all!

Kindy Excursion

What a fabulous time we all had at the Swan Valley Cuddly Animal Farm!

We saw so many farm animals.

They were so cute.

It was really funny feeding the goats milk.

We saw bunnies and guinea pigs.

We liked looking at the cows.

We bounced on a Bouncy castle, had a train ride and went on the merry-go-round.

We loved going on the bus too!

When we got back to school we had a picnic because we were so hungry.

Big thank you to our parent helpers.

Mrs Tilbee and Ms Wigmore said they were very proud of us because we were so well behaved!

Year 5 Excursion

Our Year 5 students had a fantastic time visiting The Nostalgia Box as part of their History learning. They loved exploring the collection of games and technology from the past and, of course, having a go at all of the games themselves! There were plenty of laughs as students competed against each other, with the adults getting involved in the fun and games, Miss Graham and Mr Wilson were undefeated in any game they competed in all day. It was a great opportunity for students to see how technology and entertainment have changed over time while enjoying a hands-on trip down memory lane.

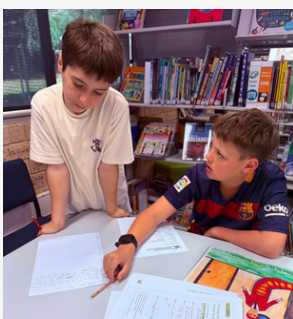

Write A Book In A Day

The Write a Book in a Day competition stretches creativity by challenging teams to write and illustrate a book in less than 12 hours.

Our team, the Beldon Bookmarks, a group of 10 dedicated and diligent students were up for the challenge. At 8am on Wednesday morning our team was given the parameters for writing our book – it needed to include a weather forecaster, an orchestra member and a werewolf. Our story had to be set in a circus and include a storyline about learning to fly. Our clever and creative students wrote a story titled 'Circus Conundrum'. The book will be available in the library to read if you would like to take a look.

Judging for this competition will take place in November, with prizes for the best stories and

illustrations – even if we don't win a prize, our students should feel incredibly proud of themselves. This was a gruelling day and the students persisted and worked as a team to produce an entertaining picture book.

National Science Week 2026 - Seed of Science

National Science Week was celebrated across the school this year with our whole-school Science Day, "Seeds of Science – From Small Beginnings to Big Discoveries".

Students from Pre-primary to Year 6, together with students from our Education Support Centre, spent the day rotating through a range of hands-on science activities. Students investigated and compared different types of seeds, designed and tested paper seed helicopters, created growing cress heads, made recycled flower seed paper and experimented with growing crystals.

Students also participated in an interactive science incursion presented by Einstein's Australia, which was generously funded by our Education Support Centre.

Throughout the day, students had opportunities to observe, predict, design, test and investigate while learning more about seeds, growth and the science behind the world around them. It was wonderful to see so much enthusiasm and curiosity across all year levels.

Our Science Week activities were supported by a National Science Week school grant from the Australian Science Teachers Association (ASTA). We are very grateful for this funding, as well as the support of our staff, Education Support Centre and parent helpers who helped make the day possible.

Thank you to everyone who contributed to another fantastic celebration of science at our school.

Yarning Circle

A huge thank you to the parents who generously gave up their time to help with our Busy Bee on Saturday. With many hands making light work, the six poles are now securely in place at our Yarning Circle, ready for the next stage of this exciting project.

We are incredibly grateful for the time, effort and support of our school community. It is wonderful to see the Yarning Circle continuing to take shape, and we look forward to sharing its progress with you.

Book Week Parade

What a wonderful celebration of reading we had at our Book Week Parade! It was fantastic to see our students and staff come to school dressed as their favourite book characters, with so much creativity and enthusiasm on display.

From much-loved classics to new favourites, the costumes were amazing! Most importantly, the parade was a wonderful opportunity to celebrate the joy of books, reading and the characters and stories that inspire our imaginations.

A huge thank you to our families for the time and effort that went into helping students prepare their costumes.

Busking for Change

This term our school choir has been learning the song 'MINYAN NGABANGKA' as part of Busking for Change.

Busking For Change is a school fundraising program in which schools and students learn a song in both Aboriginal languages and English and raise funds for the ILF (Indigenous Literacy Foundation) to deliver our programs throughout the country. Each year, a different song is developed by ILF Ambassadors and a remote Community, celebrating culture, literacy, storytelling, connection to Country, and showcasing the knowledges and wisdoms of the Community involved.

MINYAN NGABANGKA was written by ILF Ambassador DOBBY, Kelsey Iris, and children from Brewarrina. The song features Murrawarri language and translates to "what's in the water."

Busking for Change has delivered over 1 million books to over 525 remote communities, 235 books have been published in 45 first languages.

Whole School Routines

For the next fortnight, our whole-school routines focus is returning to class after recess and lunch. Across the school, we are explicitly teaching and practising the same expectations to ensure students return to class calmly, quickly and ready to learn.

Consistent routines help maximise learning time and create calm, predictable transitions throughout the school day.

Ask your child how we return to class at Beldon - hopefully they can tell you exactly what to do!

Attendance Matters

Congratulations to this fortnight's winning attendance class: **B2!**

B2 is the only class with 100% attendance for the two week period!

Well done for showing great commitment to being at school every day. Keep up the fantastic effort!

Celebrating Students

Congratulations to Caleb, who has been selected for the Northern Centurions Under 13 District Cricket Team, representing the Joondalup District Cricket Club.

Caleb earned his place in the team after successfully progressing through three selection trials. As part of the Northern Centurions program, he will have the opportunity to play on turf wickets, access specialist coaching and develop his skills while competing at a higher level of cricket.

What a fantastic achievement, Caleb! We wish you all the best for the season ahead and look forward to hearing about your cricketing journey.

The next P&C meeting will be held on the 1st September 7pm - 9pm in the staff room. If you wish to join, meet us there, or if you would like more information please contact your class representative to get you in touch with the P&C.

Last weekend, Kim (Treasurer) and Michelle (Secretary) attended the WACSSO Conference, proudly representing Beldon Primary School P&C.

They took part in workshops, connected with P&C members from other schools, and voted on important WA school matters on behalf of our school community.

A huge thank you to Kim and Michelle for giving up their weekend to attend and represent Beldon! ❤️

We're also looking forward to hearing more about the businesses and opportunities available to WA schools, with further information to be discussed at our next P&C Meeting on 1 September.

Upcoming P&C Events

3 September – Father's Day Breakfast

Pre-order only. Final orders close 1 September.

4th September – Faction Carnival Subway Lunch

Orders **CLOSED**.

We will have a bake sale and BBQ at lunchtime on the day *PENDING VOLUNTEERS

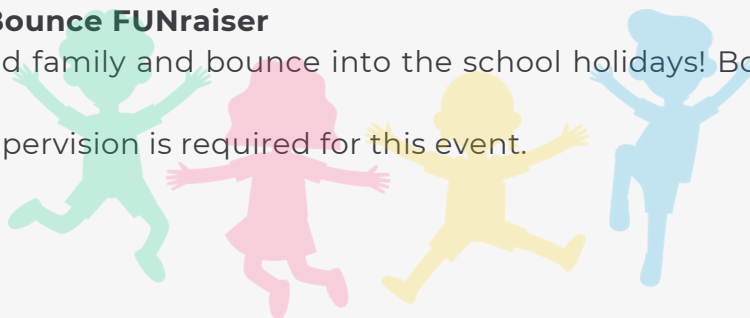

20th September - Mitre 10 Hillarys Sausage Sizzle

The P&C will also be cooking up a storm at Hillarys Mitre 10, come down and support our school.

25th September – Bounce FUNraiser

Grab your friends and family and bounce into the school holidays! Book your tickets via the link [**HERE**](#)

Please note: adult supervision is required for this event.

P&C Communication – Stay in the Loop!

There are lots of ways to keep up to date with everything happening through the P&C:

- Noticeboards – Located around the school and regularly updated with our latest fundraisers and events.
- School Newsletter – Keep an eye out for P&C updates in the school newsletter.
- Class Chats – Speak with your class representative if you're not currently included in your class group.
- Social Media – Follow us on Instagram and Facebook, as well as our community page.
- P&C Website – Visit our website for information, updates and upcoming events.

We'd love to see as many families as possible getting involved and supporting our school community! ❤️
