BELDON BRIEFINGS

24 Jul 2020

Welcome to Term 3. I know that we are all grateful to have a "normal start". With a focus on athletics, Term 3 at Beldon PS is one of the most exciting terms of the school year. With the easing of COVID-19 restrictions on school activities, we have made a decision to be optimistic and proceed with the planning of special events that our students enjoy so much. We look forward to seeing you at one of these events soon.

Geoff Elliott - Principal

NATURE PLAYGROUND

Many of you will have noticed that a new fort has been built in the nature playground to replace the previous structure that had been out of action for some months. We are very grateful that our P&C were able to fund the replacement. Without the important fundraising by P&C's, schools would not be able to have features like these in their grounds. We would also like to acknowledge the hard work of our Manager Corporate Services, Rhonda Williams, for managing this project.

LAPATHON - Do the Walk!

Excitement is building for our annual Lapathon taking place next Friday. The action will start at 1:40pm on the school oval. Parents are invited to join their children for lunch on the oval at 1pm. A sausage sizzle is available to parents on a pre-order basis only. Order forms have been sent home and copies are also available from the office or via the school website. Please return by Monday 27 July.

The Lapathon is a great community event. Please support our fundraising efforts as the Lapathon heavily subsidises our Whole School Excursion. We are pleased to advise that this year we will be attending Caversham Park at the end of Term 3. Sponsorship forms are available from class teachers or the office. Please refer to previous notes for full details of the event.

GARDEN RESTRUCTURE - UPDATE

We have had a hard working committee focussed on planning the reconfiguration of the Stephanie Alexander Kitchen Garden. Due to unforeseeable circumstances, the work that we had planned for the end of last term was postponed. The exciting news is that this planned work has been re-scheduled for Saturday 1 August. On this day we will mostly be carrying out earthworks and moving the timber from the raised beds that were located next to the basketball courts. The following Saturday, 8 August, Mrs Brogan will be coordinating a Busy Bee and inviting families to continue working in the garden so that we can get it fully functional for our students. Please save the date and look out for more information about the Busy Bee coming your way.

CALL OUT FOR 2021 KINDY APPLICATIONS

We want to ensure we have received applications from everyone who requires a place for their Kindy child at Beldon PS next year. If your child turns four before 30 June 2021 they are eligible to attend Kindy in 2021. Please encourage anyone who has an eligible toddler to apply. We are concerned that some parents may have overlooked applying or may not be aware of the need to apply. We are usually able to accommodate enrolments from nearby suburbs as well as Beldon. Application for Enrolment forms can be found on our [website](#).

PRE-KINDY PLAYGROUP

Our [Pre-kindy Playgroup](#) has recommenced for Term 3. Children who are 0 to 4 years old and their caregivers are welcome to join us on Tuesday mornings from 9 to 11am.

PARENT SURVEY

Thank you to all of the parents who participated in the National School Opinion Parent Survey. The winner of the \$100 Coles Myer gift card was C Brooker. Congratulations!
