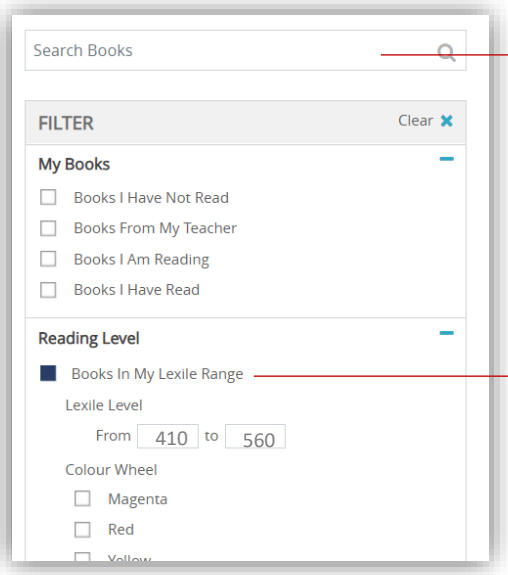
Finding a good-fit ebook in Literacy Pro Library

Filters can help you quickly find an eBook to read.



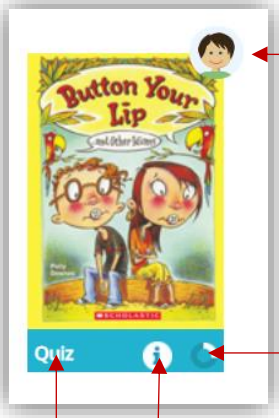
You may type in part of a title or a key word to find a specific book.

You will automatically be shown books that are in your Lexile Range.

The filters are found on the "BOOKS" tab here.

Books are displayed over many pages that you can scroll through

You can use additional filters to help sort through books quickly



Books are tagged on these pages if you have read them, or your teacher has assigned them.

This symbol shows that a book is partly read

This shows a blurb about the book, and levelling details.
You can click on this to decide whether you really want to read the book.
