Step 2 - Volunteer

Before the Sundowner

Volunteer opportunities will be coordinated on a class basis. There will be hampers to make up and wrap, cakes to bake and lots more! Look out for more info on the whiteboards and facebook over the next few weeks on how to help with your Child's year level activities.

On the Day

Each class will have a number of stalls they are responsible for on the day. Rosters will be posted on the whiteboards closer to the event so you can register to help set up, run and pack up the stalls. You can register to help for 30 minutes, the whole event or anywhere in-between!

Step 3 - Attend

Friday 16 November
4pm to 6.30pm

Come along and enjoy the fun! Extend the invitation to your whole family – Grandparents, Aunts, Uncles and Cousins. Promote the event when you speak with other Beldon PS parents. This event is for the whole school.
